and Family Centred Care, WPSHC

## ***UNDERSTANDING THE NEW “NURSE PRACTITIONER LED CLINIC”*** (formerly known as the Nursing Station)

Our nursing stations have undergone a variety of changes (including a name change!) so it's not exactly business as usual. This is an opportunity to learn and ask questions:

- × What does a “Nurse Practitioner Led Clinic” really mean?
- × Does it mean a change in how and what services are delivered?
- × What mechanisms are available to allow for community input/consultation?

**February 6, 2019 - 1:30 p.m. to 3 p.m.**  
**PaB Community Centre**  
**Everyone welcome!**
